

Business to Enterprise

Welcome to the new class of Travel Agents. Smarter work, better returns and happier clients are the traits that define you. With a growing market, your pace must get quicker and we have the technology to help your speed

FEATURES OF THE SYSTEM

While designing the B2E system, we have taken into consideration any feature you may need to make your dealings easier and error free. However, we do pride ourselves on being able to customize the module exactly as per your specifications and work method. Here are some features that have been incorporated to make the process hassle free.

- Direct Inquiry System
- Total Back Office accounting systems
- Self Booking Tool
- Profile wise segregation of companies
- Special discounts calculator
- Promo code tracker
- Quick Mobile Access through Cloud Technology
- Enquiry Management System
- Compatible for airlines, hotels, car rentals, Bus, lounge passes etc.
- Separate User Profiles
- Complete MIS Reports

Why should Travel agents install this software?

Reliable

Professional

Capable

- Take on more clients with lesser effort
- Untangle the accounting process for discounts, mark ups and commissions
- Offer customized loyalty solutions to clients
- Keep a track of the agency's employees and the number of bookings
- Have a bird's eye view of all bookings for that company

Benefits of B2E

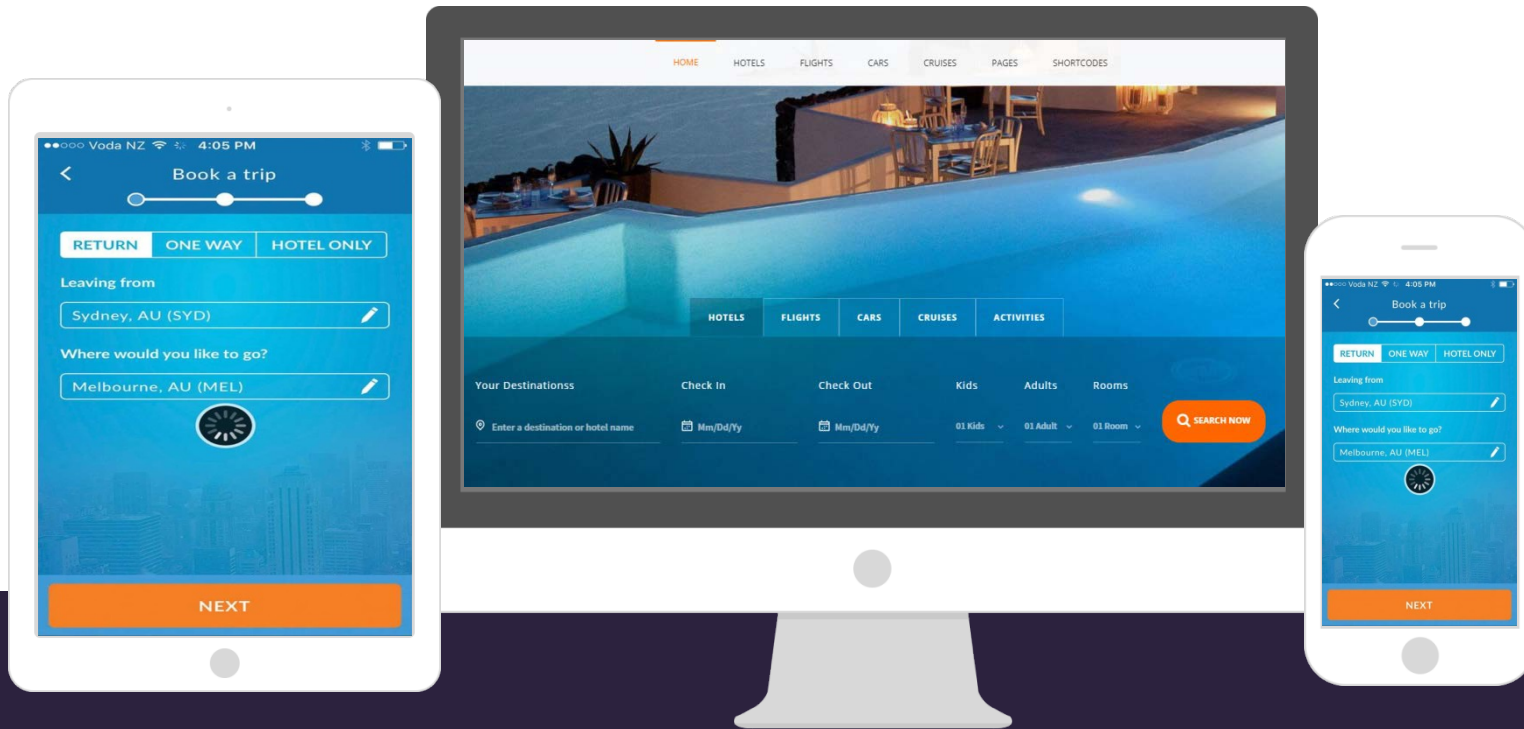

Travel Portals

It's the perfect Online Booking Platform for all modern travel agent and tour operator companies, a flexible and modular management software that supports all the steps of a travel business process. Maraekat is not just a solution for your expense reporting and reimbursement but it is also the best travel booking tool you can use for your business trips.

- Customizable Account Permission
- Best Fare Finder
- Hotel Point of Interest Search
- Advanced Reporting Suite
- Flexible Employee Notification
- Reporting Tool
- Cost Codes & Purchase Orders
- Booking History
- Full Profile System With APIS
- White Label Tool
- Combined Single Fare Search

About Us

Maraekat Infotech is a technology company specialized in the field of travel and tourism since 1993. Having worked for clients like Thomas Cook, Paul Merchant and Cox & Kings, we have robust technology infrastructure that's guaranteed to make your endeavors succeed. When it comes to a B2B engine, we know your pain points and can anticipate any future changes as technology advances. That is why we are the best option when it comes to selecting a solution provider who can be with you every step of the way.
